

# COMPANY PROFILE

## SCHOOL & OFFICE FURNITURE

Faisal Al shammery Contracting

**About Us:**

*We are specialized company in supplying and installation of high-quality school furniture and materials with wide experience in the school's preparations from A to Z, according to the requirements of the Ministry of Education in Qatar.*

*Installation of shades and awnings, artificial grass, rubber tiles and vinyl for floors and playgrounds, wallpaper, curtains, marble, gypsum and maintenance work.*

*All kinds of modern furniture for class rooms such as but not limited to libraries, laboratories, offices.*

*We also supply and install high standard sensory rooms and Interactive projection system for special needs centres.*

**Our Mission:**

*To create Value for our customers through Reliability and Flexibility.*

**Our Vision:**

*To lead educational institution preparations and building support in connection to modern curricula and current research on how student learn best.*

# Why our company ?

---

## **Innovative Design**

Beautiful furniture designed to create comfortable, healthy and engaging learning environments.

## **Exceptional Customer Care**

An attentive sales force, support, and the best customer service in the industry.

## **Durable**

Seating, desks, tables and storage units that stand up to decades of wear and tear from students (and their backpacks).

## **Shipping & Fixing**

Orders made fresh to your specs and shipped without delay—even during peak season. Fixing of your order is also available with high standard and accuracy.

## **Customization**

An impressive palette of color options for laminate tops, edges, paint and chair shells. Boost school spirit, stay subdued, or go bold.

## **Modern Thinking**

Product lines that connect students to modern curricula and current research on how kids learn best.

## **Value**

A wise investment in quality furniture that has become the brand of choice for many of the largest schools in Qatar.

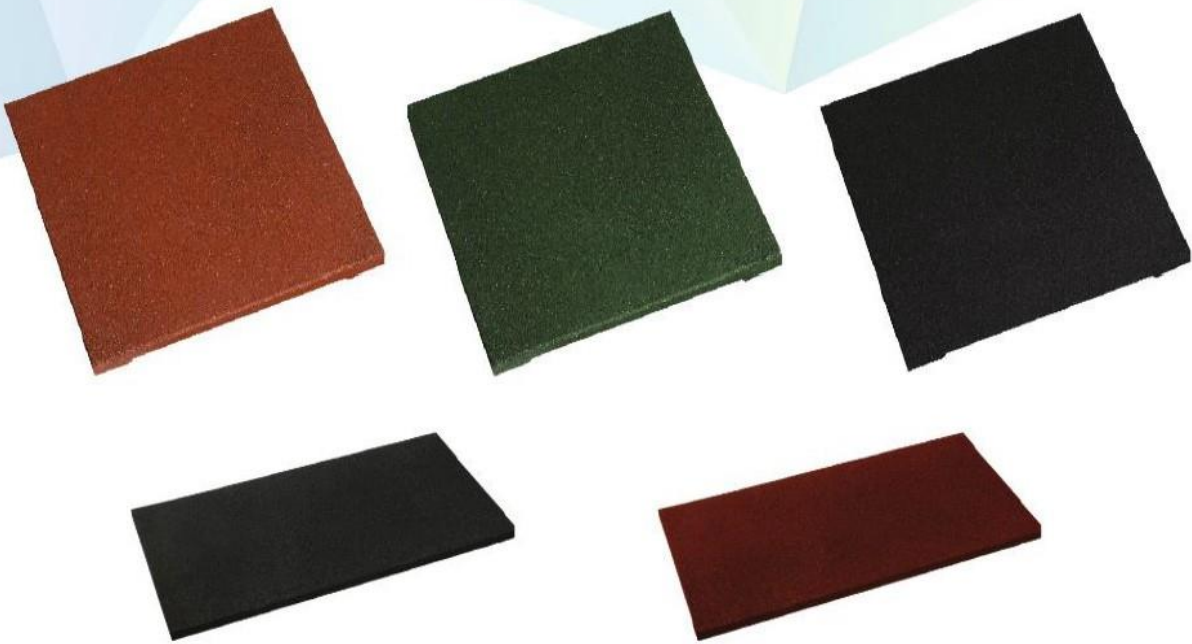

---

*That's what our customers love most.*

---

# PRODUCT INFORMATION and DETAILS

<b>Holes / m<sup>2</sup></b>	<b>70-100</b>

## Shades

We provide the best quality products and services to clients in the field of structure fabric shades, car parking k-span aluminium tents School shades and solar car parking. Moreover, we use a wide range of fabric and materials such as (PVC knitted shade cloth) HDPE(cotton canvas wood, Fiberglass and aluminium).

## Protectors

### Rubber Corner Protectors

While playing, small children soon fall out. With an ordinary fall to the ground, major injuries rarely occur, but when a child falls against a sharp edge of a wall, the child can be seriously injured. These corner protectors prevent (serious) injury in the event of a fall against, for example, a wall. In our eyes, corner protection is indispensable in all schools.

#### Characteristics:

- \* Covers sharp edges of walls perfectly
- \* Shock-absorbing and impact-resistant
- \* Suitable for indoor and outdoor use
- \* Colors: yellow, blue, green and red
- \* Resistant from -20° to + 80° Celsius

### Column Protections

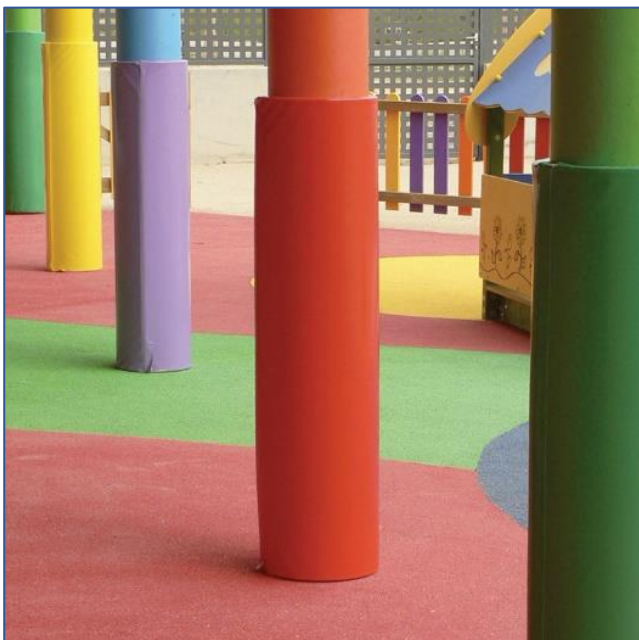

Column protections for school playgrounds or sports centre indoors are a fundamental child safety element to guarantee protected spaces.

Size: customised size

Colors: any color

Features: High density foam, Polyester PVC coated

Qualities: High shock absorption, High resilience

*Our Multi-Sensory Environments are by nature relaxing spaces that help reduce agitation and anxiety.*

*However, they can also engage and delight the user stimulate reactions and encourage communication.*

### **Relaxation**

*The Multi-Sensory products and environments can be used to calm and reduce agitation through the use of gentle light, soothing sound, relaxing smell and touch.*

### **Development**

*The Multi-Sensory Environments and products can be used as a learning and developmental tool. It can be used for colour matching, understanding of cause and effect, and creating themed environments for teaching.*

### **Stimulation**

*The Multi-Sensory Environments and products can be used to stimulate users by providing exciting visuals, high tempo music and sounds, invigorating smells and textures to explore.*

## ***Interactive projection system***

*This is our latest interactive projection system. It is always ready to use in a sensory room, interactive area or other chosen site without the need for storage or set up time. interactive projection system can project onto any floor or table at the touch of a button, creating an interactive surface for all ages and abilities to enjoy.*

### ***How it works?***

*Our interactive projection system creates a magical sync between people's actions and the animated graphics on the surface.*

3D Interactive projection system

# ***3D Interactive projection system***

## Soft Play Environments

A Soft Play environment is specifically designed for children and adults with special needs to have fun, explore their physical boundaries and to release energy in a safe environment.
